Location

Laurent Habrard only cultivates 0.6 ha of vines in the St Joseph appellation. This is a little area but a magnificent and steep plot which is located in the famous terroir of the Côte Sainte Epine (<http://goo.gl/maps/NMlbf>) and facing south to give the best granites.

Terroir

A steep slope, facing south, in the heart of the famous place called "Sainte Epine". Soil composed of decomposed granite.

In the vineyard

The vines being planted on the hillside, all the work is done by hand.

Vinification

Traditional vinification. Grap harvest. Temperature control. Regular reassembly and punch down.

Ageing

12 months in oak barrel

TASTING ADVICES

Ageing potential

5 years

Tasting notes

Intense and purple color. The nose is open and very clean with notes of red fruits (raspberries), zan and touches of blackcurrant leaf. The palate is dense, the tannin still tight. the tannic structure is supported by a certain

1/2

tension which bodes well for excellent aging potential. We find in the mouth the fresh and crunchy fruitiness. Wait 5 years for more roundness.
